

ORIGAMI

Facts About Origami

- Origami is a form of visual art.
- It began in Japan.
- Pieces of Origami are animals, shapes, or other objects created using folded paper.
- The word Origami comes from two Japanese words, Ori meaning folded and Kami meaning paper.
- Traditional Origami is created using a square sheet of paper & you are not allowed to make any cuts.
- An Ancient Japanese legend says that you will be granted a wish if you fold 1,000 cranes.
