

SURREALISM

JOAN MIRÓ

Free Draw Activity

Today's activity is inspired by Spanish Surrealist artist Joan Miró. You'll need paper, a black sharpie, and markers. Take a look at the two examples of Miró's work below. Use your sharpie to create random loops and shapes. Use your markers to fill in those shapes or add to the lines you made with the sharpie.

Right: The Sun (El Sol) 1949

Left: The Smile of the Flamboyant Wings 1953
